AFTERCARE ENROLLMENT AND INFORMATION PACK

Dear Parents/Guardian

I would like to wish you a warm welcome to Angels Academy Aftercare and Holiday Facilities.

We have limited space in our Aftercare Centre and it is only offered to children of primary school age. Transport must be arranged to collect children from their respective schools to bring them to Angels Academy except for Springvale Primary. The facility will be available from 12:00 onwards until 17:45. Their care will entail a light lunch (e.g. sandwich and refreshment), assistance where needed with homework and obviously playtime in their designated playground.

This aftercare will be available during the holiday period, at a daily rate per day for non-enrolled children, payable upfront for the specified dates. The aftercare will be open from 6:30am until 17:45pm, except at end of year break in December, where dates will be indicated. Lunch and snack with refreshments will be provided.

If you are interested please complete the attached contract and return to your relevant caregiver. I will be contacting you for confirmation and if you have any questions and clarity feel free to ask.

You are welcome recommend us to anyone, obviously the more successful our aftercare the longer we would be able to offer the service.

Below is the necessary contract information.

Thank you once again for you continued support.

Kind Regards,

Siska Cilliers

Principal

Aftercare Rules and Protocols

We at Angels Academy hope to create a caring environment of friendliness and warmth, and a second home where children feel welcome and safe. As a concerned parent myself, I know how important it is to have a safe environment for our children and I therefore assure you that we will do everything in our power to keep the children safe from any harm or danger. The children will be collected by a competent driver and will be look after by a qualified individual.

Afternoon Lunch Snack (during school time)

Lunch Snack will be a brown bread sandwich (with a filling dependant on availability) with a refreshment. Should a parent wish to send the child a lunch this needs to be in marked containers. Parents are asked to inform us of any special dietary requirements and if your children have any food allergies. Please note that parents must also supply the required food for the children who have special diets.

Breakfast, Midmorning Snack, Midday Lunch and afternoon snack time (during holiday time)

Lunch will be a light lunch dependant on number of children and availability. Late afternoon snack will be a brown bread sandwich (with a filling dependant on availability) with a refreshment. It will be suggested that parents provide a mid-morning snack/fruit in marked containers. If there is any special dietary requirements or allergens to inform us. Please note that parents must also supply the required food for the children who have special diets.

Personal Belongings

Please mark all your children's belongings clearly with their name and surname in a visible place. Marked lost property will be given to the children and unmarked items will be kept for a period of time before it will be handed over to the school's lost property. Angels Academy will not be held responsible for the loss of any of these items. Where Items are not mark Caregivers will mark with a permanent marker.

We are not responsible for any toys/games or any clothing or lost articles. Any valuables must please be kept in a safe place, preferably handed in to the aftercare staff for safekeeping until home time.

Children are **not allowed** to bring the following to school: **Sweets, Gum, Noisy Toys, Ipads/Tablets, phones or CD's.**

Discipline

There are occasions when we have to discipline and guide children who are destructive, disrespectful, disobedient, dishonest, use bad or foul language and who harm other children. The children are in our care and we are responsible for their safety and happiness, and we are therefore held responsible for their conduct when you are not there to witness their actions.

In severe cases a written warning will be issued to an offender. We will give a second and final written warning and the serious offenders will be asked to leave the aftercare centre. The full co-operation of the parents and guardians would be appreciated in regard to our discipline policy.

Medical Attention

In case of a child not feeling well a parent will be notified immediately by the caregiver the time and temperature as well as the symptom. The caregiver will try to manage the symptoms to the best of her ability until the child is collected. It is always recommended that should a child have a high temperature and or have severe symptoms that it should be collected from aftercare immediately. Should the child need urgent medical attention there is an indemnity and consent form that explains the process and that must be completed and signed by parents/guardians.
