### 5. Classroom Ratios

5.1 The classroom ratio allows our staff to give utmost individual care and attention to the babies and children in our care. This assists our staff to develop effective and meaningful relationships with all children in our care, resulting in more engaged, happy and relaxed children.

5.2 Young children need to form a secure emotional bond with the personnel caring for them. Higher child-to-staff ratios mean that staff would find it harder to deal with each child's individual needs. If one member of staff is the key worker for many children rather than a healthy ratio with less, the chances of them having to deal with many distressed children at once is higher. Our focus point at Angels Academy is to keep a healthy personnel/child ratio to make sure your child gets the best attention that they need.

#### Staff/Child Ratio:

Babies	1:5	in our Baby Centre
1 Year	1:10	per class
2 Year	1:10	per class
3 Year and older	1:10	per class

*Staff ratios may not be maintained in the following rare exceptions:*

- When staff are off-sick and Angels Academy cannot find a replacement
- During toilet, tea and lunch breaks
- During drop-off and pick-up times
- When there is staff that needs to go on training, workshops or exams

5.3 Angels Academy strives to adhere to the above ratios and will endeavour to hold to the ratios above, however cannot not be held liable for any temporary non-adherence to the above ratios.

## 6. Class activities

6.1 Parents are encouraged to be involved in their child's programme. Each week a new theme is taught and we ask parents to send along any recyclable material that will help them to understand and enjoy the theme of the month to the fullest. This can be handed in to the Admin office.

## 7. Absentees

7.1 It is essential that children attend school regularly in order to achieve optimal results. In the event that a child is absent from school, it will be appreciated if the parent contacts the school or sends a text message to advise us of his/her absence.

## 8. Security

8.1 We have a Security Guard on duty all day. We also have electrified fencing, a 24-hour armed response link to a security company and CCTV cameras. At the discretion of Angels Academy, archival footage will only be viewable / shared on-site. No remote playback is/will be offered. The gates are closed and access is gained through a pin code which is changed often and parents are notified when this happens. Entry into the classes also requires the same pin code.

## 9. Birthdays

9.1 Birthdays are exciting and very special in every child's life; therefore, parents are more than welcome to bring cupcakes / party packs to school, however there is no obligation. We often send the party packs home with the children for later and the class celebration happens during mid-morning snack time.

## 10. Clothing

Clothes could get soiled during eating, playing and art activities and Angels Academy cannot not be held responsible for any damage to clothing. As a precaution and safety measure against injury and/or choking, do not let your child wear earrings, bangles, amber/teething beads and necklaces and/or jewellery made from beads.
